NOTE 1: Weekly Lakes Readings are taken by HSV Volunteers using a variety of tools. Readings are a snapshot in time and are intended to provide general trends and information to the HSV Lakes Management Staff. These readings are supplemental to readings taken routinely by the Lakes Management staff during the normal conduct of Lakes Management tasks.

Note 2: Lakes Readings are provided weekly (March - October), & Monthly (November - February).

Note 3: VC-R = Valve Closed - Refilling
