

VIEW THE SOLAR ECLIPSE SAFELY ON THE WATER

- All State and Federal Boating Regulations apply to all HSV POA Lakes.
- All Property Owners are required to purchase and display an annual lake use decal on all boats (powered or unpowered) and trailers used on HSV Lakes.
- Any lake user that does not have an annual lake use decal for any powered or unpowered boat is required to purchase a daily lake use permit, available at each boat ramp or the HSVPOA Administrative office. For extended temporary lake users, a 7-day lake use permit is available at the HSVPOA Administrative office.
- Please be mindful of other boaters and/or trailers. Do not block any boat ramp or access into a parking lot.
- No unattached boats or trailers in launching or parking areas.
- It is unlawful to anchor or tie-off to any navigational marker. Please **DO NOT** anchor or tie-off to the buoys.
- Anchor away from busy boating channels. Please do not tie-off to any boat docks or fishing piers.
- Ensure all navigational lights are properly working on your boat.
- If cell phone service is unavailable, make sure that your boat is equipped with a type of Visual Distress Device.
- Dress for the water temperature, not the air temperature! Wear your life jacket!
- Protect your eyes.
